K-3RD GRADE CAMPER PICK-UP FORM

All children will be picked up in the back room of the Ontario Parks & Recreation Department Building in Casey Park (upon entering the park, veer left to parking lot south of the building). Please be patient with us during this time.

Parents or guardians, you need to fill out and return this form listing all persons authorized to pick-up your child/children. The form should include the full name and, if possible, signature of authorized persons next to their name. When you or one of the authorized persons picks up the camper, proper government photo identification, such as a valid New York State Driver's License, will be required in order for the child/children to be released. Our goal in implementing this program is to create a safer environment for your children, and we look forward to your support in helping us do that. If you have any specific concerns, please contact the Parks & Recreation Department at (315) 524-7447.

Please remember, children will not be released to unknown people. They will only be released to parents or guardians and the authorized people on this list after proper ID is presented.
