New Family Owned Business

Now Open – 250 NYS Route 104

We are a new family owned business. We have been at our current location, 250 Route 104 Ontario, New York since April of 2010. Prior to this, my husband tinkered with ATV's out of our garage. So now I have my garage back and my husband can continue to enjoy his hobby!

We sell several styles, sizes and colors of brand new ATV's. We also sell motorized scooter/mopeds. On occasion we will have used adult ATV's of brand name makers that are in outstanding condition for sale as well. We have a variety of helmets with unique graphics. Rich has many years of experience with ATV's!

Our posted hours are: Mon - 10 am - 6 pm, Tue-Fri - 2 pm - 6 pm and Sat. – 10 am – 3 pm. This is a second job for both of us so our hours vary. We live close by so we are able to make personalized appointments.
