Walk and Ride Release Form

This form releases your child to walk home or ride their bike home from the Ontario Parks & Recreation Department Summer Day Camp program. Only campers in 4th-6th grade are eligible for this.

Below, please specify if your child/children are released to do this summer or if they are only allowed to do this on certain days. Please specify which child is allowed to walk or bike on which dates. Note that if your child is authorized to walk or bike all summer, we will not be checking to make sure that a ride comes to pick them up each day.
