Past Event Review

- The April 21st Park clean-up was executed by 132 participants who donated approximately 160 hours of service. Areas cleaned were Casey Park, the Greenway and the Boat Launch. A number of area scout organizations participated.

Current Project Update

- Funding for recovery of boat launch/waterfront damages caused by 2017 high water levels continues to look good. Estimates are about $225 K with 75% from federal and 25% from the state of New York. If approved, reimbursement will be for work done as the project progresses. The project needs to be completed within 18 months from the start. Engineering cost estimated at $35 to $40 K.

- The Community Survey in support of the Five Year Plan is ready. Current plans call for the survey to be sent using water bills as the delivery mechanism.

- The 2018 Community Art Project, shutters, is well underway. Over 20 shutter project are out. Placement will begin when about 75% are returned.

- Knickerbocker Road land purchase has been approved by the Town Board.

Possible Projects/Programs

- Financial interest from an anonymous source has been shown for the development of an Aquatic Center for the town. Total cost of the project would be in excess of $1.5 million. Annual upkeep could be in excess of $200 K.
