NOW OPEN IN ONTARIO!

ONTARIO – April 14, 2021. Ontario Chamber of Commerce members and town officials, Frank Robusto, Ontario Supervisor and Robert Kelsch, Deputy Supervisor, welcomed **Immediate Care, Family Health, NP** to our Ontario business community with a ribbon cutting ceremony sponsored by the Ontario Chamber.

The facility is owned by Patricia Venniro and Denise Ruiz, both Family Nurse Practitioners. Venniro is from Webster and Ruiz is from Walworth. Both realized there was a need for medical services in the Town of Ontario and felt the location at 6280 Furnace Road, Suite 600 in the Tops Plaza, next to Lyons National Bank & Dunkin Donuts, was an ideal spot. A tour of the facility highlighted the four examine rooms, an x-ray room, a procedure room, storage supply area, office areas, and a medical equipment room. Chamber members noted that Immediate Care Family Health adds to the quality of life for Ontario residents by having closer and safer access to medical help.
